

UPDATE ON OUR APPEAL FOR EARTHQUAKE RELIEF IN EASTERN REGION OF AFGHANISTAN

Dear friends,

This is in continuation to the update sent on September 27, 2025. We have completed the Phase I of Eastern Region Earthquake Relief Assistance. We were able to raise 92.35% of the targeted amount. We were able to support 961 families (approximately 6700+ individuals) with the funds we received. The details of the people supported are given overleaf. Thank you so much for all your kind support to meet the needs of the people affected by the earthquake.

The total amount received/committed is \$342,800. We have distributed Multi-Purpose Cash Assistance to the people which is equivalent to **\$295,880**. We are moving into Phase II of providing materials In-kind. We will send an update once the proposal is finalized. You can continue to donate through the Serve Afghanistan website (www.serveafghanistan.org) stipulating what the money is for, or use the details given at the end of this letter. Please send a brief email to donorrelations@serveafghanistan.org to state your donation is for the Earthquake Relief. This will help us to acknowledge your support.

With sincere thanks for your support,

Appropriate help in an appropriate time

Hazrat Wali is 59 years old. He is from Sawkai district in Kunar Province. He is at present staying in Ander Lachak Camp. He had a large family of 10 people. When the earthquake hit, his home was destroyed, and he lost his wife and daughter. All his family members were injured. He also lost his livestock, the source of his livelihood. Now he and his remaining family members are living in a tent camp and struggling to survive. Serve was able to provide his family with 20,000 AFN (\$300) in Multi-Purpose Cash Assistance. He expressed that he will be using the cash to treat his family members who were injured and for buying medicines, to buy kitchen utensils and clothes etc. He is thankful to God for sending Serve Afghanistan to help him.
